BLACKBROOKS HISTORY

**IT'S OUR PLEASURE TO SERVE YOU HERE AT BLACKBROOKS,
WE HOPE YOU ENJOY YOUR VISIT WITH US TODAY.**

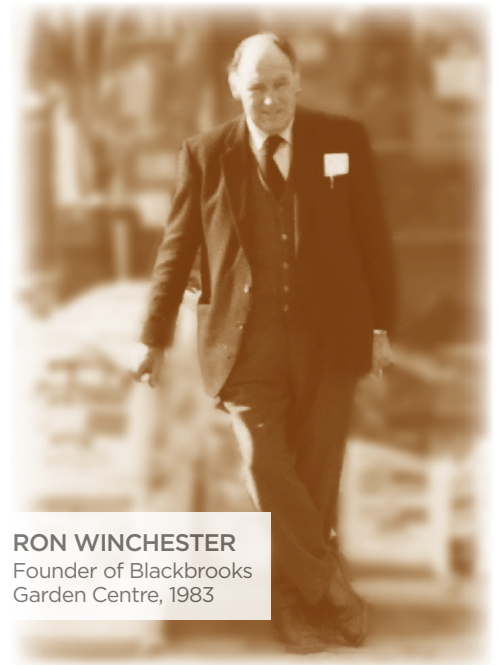

We pride ourselves on serving fresh produce sourced as locally as possible. Our food is cooked fresh to order and all of our cakes and traybakes are homemade.

Blackbrooks was started by Ron Winchester and his son back in 1983 with the aim of providing top class gardening products and quality grown plants to the neighbouring community and beyond. Over the years as customer demands for products and plants grew so the garden centre's merchandise became more varied and wide.

Mark Winchester is the third generation owner and shares his Grandfather's and Father's passion for an unrivalled

customer experience, introducing new product lines, building an award winning restaurant with modern customer facilities, expanding the outdoor plant area, launching new departments across furniture, clothing, gifts and food and providing a generous loyalty scheme to reward loyal customers. And there's more yet to come!

Here at Blackbrooks you will discover a garden centre that is in tune with its local market and strives continuously to meet the expectations and demands that are required to keep our homes and gardens glorious all year round!
